Today's Program:

An Overview of the Advancement Efforts for Change
Project and Program Management for the State of Delaware
Presented by Cindy Bray & Bryant Baker, Department of Technology & Information

Presentation on the symbiotic relationship between Quality and Program Management and two of the major initiatives promoting Project and Organizational Change Management in the State, including an introduction to the OMB-DTI Program Management Office PM/CM Certification Training, and a brief about the Project Management Institute and its local organization, the Delaware Valley Chapter's Delmarva Branch. This presentation will also help you decide if you want to participate in one or more of the courses in the certification program.

Mark your calendars!
